

**15k Race Boat**  
**COURSE DESCRIPTION**  
**TENTATIVE COURSE TO BE CONFIRMED AT RACE**  
**MEETING!!**

- **Start**
  - @ Holyoke Rows boathouse dock area
  
- **Loop** (approx. 15K)
  - Downstream, past 1<sup>st</sup> bridge to clockwise turn @ 2nd bridge (Rt 91 bridge) - (2nd abutment from shore on paddlers' right) Caution – there are several logs just downstream of this abutment, it is strongly suggested that you turn around these logs.
  - Upstream to counter-clockwise turn @ 1<sup>st</sup> bridge beyond start (Rt 391 bridge) middle abutment
  - Downstream to Holyoke Rows boathouse dock area – **Finish between buoy and shore**

**Caution**

Be careful of debris in the river (shopping carts, engine blocks etc.) on the upstream and shallow sections. Also be aware that fishermen may have lines out. It is strongly advised that you do not pass between the inner-most bridge abutments and the shore.

**Please be aware of the Kayak race in progress and stay clear of start/finish line and portage areas.**
